Admission Criteria

The selection of applicants is made through Admission Test and Personnel Interview.

VIIM Admission Test (VAT): Students seeking admission are required to submit the completed application form at VIIM Campus or at Defined VIIM Information Centre. They are required to appear for VAT followed by an interview. VAT is based on GMAT pattern with multiple choice questions and tests the applicant's abilities in quantitative techniques, data adequacy, vocabulary and analytical reasoning. VAT will be conducted at all INC Campuses. For schedule of VAT and other details on test, please refer to the Admission Calendar.

The applicants shortlisted in VAT will have to go through interviews at the campus where they seek admission. The interview panel will focus on testing the attitude, aptitude and aspiration of the candidates.

Original certificates should be produced for verification at the time of interview along with one photocopy. The original certificates will be returned after verification.

The admission decision will be communicated after the interview process. All the selected candidates will be required to pay the admission fee as per the admission calendar.
